

Accessing Class Dojo activities: (Parents)

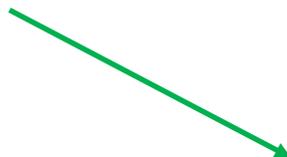

As part of home learning your class teacher will be providing activities on Class Dojo for you to complete with your child at home. These will be updated weekly and we would appreciate it if you could attempt these with your child and upload the evidence requested e.g. it may be a photograph of your child completing an activity or a comment from yourselves.

1. Click on your profile picture that is at the top left of your screen.

2. It will then give you the option to switch accounts. To access the activities, you need to switch to your child's account.

3. Click on your child's class name.

4. In the 'to do' section you will see the activities that your child's class teacher has created.

5. ENJOY!
