

# Class Dojo Help Sheet: (Sending photos and videos)

Class Teachers regularly post photos of your child participating in some lovely activities in the classroom. You see these, they brighten up your day and make you feel very proud!

I'm sure that when

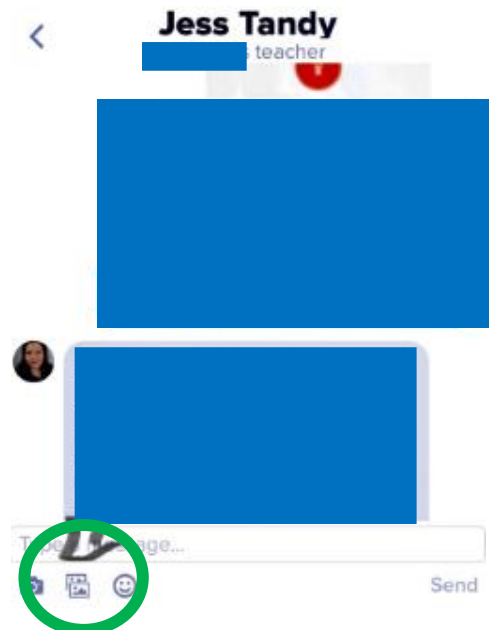

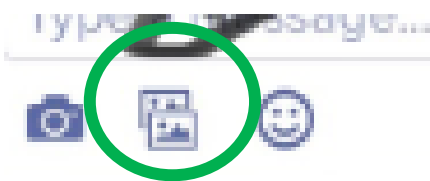

Well... That's the same for us!

We love to see photos and videos of your child participating in activities at home, or even just seeing their happy smiley faces! It would be fantastic if you could regularly share photos and videos with us so we can see that our amazing children are just as amazing at home!

1. Go onto the messages page where you send and receive messages from the class teacher.

2. At the bottom of the messages, you will see a photo icon. Click on the icon and choose a photo or video to send.

3. Your Class Teacher will then receive this message. The photo you have sent will be shown in your messages, you should then receive a reply from your Class Teacher.
